

Towson University reserves the right to inspect all bags, purses and items of each person entering the facility to ensure the safety of all. If you do not want or permit your items to be inspected, you may not be granted access to the facility.

Anyone entering the Arena or the Towson Center (i.e. faculty, staff, volunteers, students, event guests, etc.) must account for their attendance and will undergo handheld metal detection and bag checks.

TICKETS

For all ticketed events (including TU Commencements) any guest who enters the Arena must have a valid ticket (this includes infants and children). There is no exception to this rule. Forged, reprinted, digital images, or photocopied tickets will not be honored.
